In addition, it is noted that in the original text of the Office Action the 10th reference is described as WO 02/024263, however, it seems this number is erroneously described and the correct number is supposed to be PCT/US2001/024263 (WO 02/012598). I hereby certify that each item of information contained in this Information Disclosure Statement was the first citation of that item by a foreign patent office in a counterpart foreign application, which occurred not more than three months prior to the filing of this statement.

It is respectfully requested that the listed references be considered by the Examiner and formally made of record in this application.

Submitted herewith is a check in the amount of \$180.00 to cover the Information Disclosure Statement fee.
